

PakPrint

Hall 4, Zimbabwe International Exhibition Centre, Bulawayo, Zimbabwe

24-28 April 2012
(Business days 24-26 April)

PakPrint is Zimbabwe's only packaging-and-printing-industry exhibition that brings together players in these dynamic sectors to:

Showcase the latest developments, technology, equipment, materials and complementary services

Exchange knowledge and experience in production, application, distribution and presentation

Share ideas on the latest technological solutions for recycling and eco-friendly printing and packaging.

PakPrint
Packaging & Printing
Industry exhibition

First run in 1997 and incorporated into the main ZITF in 2004, PakPrint continues to highlight the importance of printing and packaging industries while providing marketing, education and networking opportunities.
