

Hall 5, Zimbabwe International Exhibition Centre, Bulawayo, Zimbabwe

Turn your house into your dream home!

In its second year running, Ultim8 Home, the premier home improvement expo, brings together an array of fixtures, fittings and finishings for comfortable living.

The expo showcases the latest building accessories and services, providing a total solution for anyone looking for or providing products and services for planning, constructing, converting, extending, or renovating homes and living spaces.

Plenty of great ideas for home improvers and building professionals!

Whether you are thinking about a change, or finding solutions for current projects, Ultim8 Home is just for you!

The expo will showcase providers of products, services and accessories in the following areas:

Mini show rooms – kitchens, bath rooms, bedrooms, lounges, dining rooms

Building accessories – lighting, flooring, doors, windows, paint, taps, sinks, tubs, showers, tiles, shelving, glazing, piping

DIY – indoor repair, accessories, tools

Services - architecture, design, finance and insurance

Energy efficiency – solar products, heating, air conditioning, refrigeration, alternative energy

Home textiles - carpeting, curtaining, blinds

Wood products – fixtures, finishings, fittings

Outdoor- gardening, landscaping, swimming pools, waterfalls, fish ponds, fountains, patios, decks

One stop for all your renovation solutions!

Ultim8 Home presents an inspiring array of options and ideas for any size building or home improvement project to help you or your clients achieve the Ultimate Home.

We invite the following to visit to get the latest trends, materials and techniques for their projects:
